Stephen,

I've been fooling around with 251 Morrill, but I really need to meet with Sharon and Jim. I don't have their contact info. I will be off tomorrow, but before you go away on vacation, please e-mail me their phone/mail info, and I will set up a meeting with them. The attached drawings are as far as I've gone without getting their "hands-on" input.

Thank you. I look forward to hearing from you.
